DEVELOPMENT APPLICATION RECEIVED FOR FORMER PURPLE HOTEL SITE

LINCOLNWOOD, IL – On June 28, 2018 the Village of Lincolnwood received a development application for the former Purple Hotel site from Tucker Development of Highland Park, IL. Lincolnwood’s President Barry Bass, said, “The Village is finally starting off on the right foot. I have worked hard to secure a good, solid, responsible developer after years of the site being a dormant property.”

Tucker Development became the contract purchaser for the property in April and has been meeting with Village officials to move forward with the project. On June 28, 2018 Mayor Bass organized a special meeting of the Village Board and Plan Commission with Tucker Development that was also attended by members of the Economic Development Commission to discuss design ideas.

“One of my primary goals as Mayor was to attract a developer to the site. From day one, we began working to renew and generate interest in the property by speaking and meeting with national level developers. This effort marks a significant accomplishment for the Village,” said President Bass.

Tucker Development is scheduled to present their development plans at a special meeting of the Plan Commission on July 24, 2018. For questions regarding this project, contact Steve McNellis, Community Development Director, at (847) 745-4710.
