

PARK DONATION PROGRAM

Plant a tree and grow a memory. Sponsor a bench and solidify a remembrance.

The Lincolnwood Parks and Recreation Department's park donation program is a wonderful way to memorialize a loved one, commemorate a special occasion, or honor someone special to you. Trees and benches may be installed in any community park and along the Union Pacific Path. Our team will work closely with you to assist in the selection and determination of the installation location within the park desired for the item chosen.

PARK DONATION PROGRAM TERMS AND CONDITIONS

This information is intended to clarify the terms, conditions, and requirements for the park donation program. Please contact our team at 847-677-9740 if you have any additional questions before submitting the form.

1. Complete funding of the donation must be processed before the purchase of any equipment or commencement of any work.
2. Village staff will work with the donor to find a mutually agreeable location and tree species where applicable.
3. Donations of trees, benches, etc. can be made at any time. Village staff will work with the donor to determine the best time to schedule the planting or installation. This process involves multiple variables and it may be aligned with regularly scheduled concrete installations or tree plantings. Trees are typically planted in the spring or fall to ensure the best opportunity for success.
4. All Village of Lincolnwood ordinances must be followed
5. The tree donation fee will be applied to the purchase, planting, initial maintenance, and plaque. The bench donation fee will be applied to the purchase, installation, and plaque.
6. Donation Periods:
 - a. The Village will use best management practices to encourage trees to thrive. The overall health of the tree is guaranteed for up to one year after installation. If a tree does not thrive in the first year, the Village will replace it during the next seasonal tree planting.
 - b. The donation period for a bench is 10 years. If the bench is damaged beyond repair within that timeframe, the Village will replace the bench with a similar type, if available, and plaque. After the 10 year donation period, the donated bench will remain in place while in good condition. When a bench is no longer in good condition, it will be removed.
7. The Village retains the right to relocate a donated element and plaque at any time. If an element needs to be relocated, the donor will be contacted utilizing the contact information included on this form to discuss alternative locations. The Village will make the final determination on relocation.
8. All language and images on donation plaques are subject to Village approval. The Village reserves the right, in its sole and absolute discretion, to reject any language or image that is discriminatory, vulgar or profane, appealing to prurient interests, or in violation of any applicable local, state, or federal law or regulation.
