Cook County Asbestos Abatement Permit Information

It is required to obtain a permit for Asbestos Abatement through Cook County. The Village of Lincolnwood does not issue these permits nor does the Village inspect for Asbestos. It is the responsibility of the homeowner to contact Cook County for the required permit. Below is the information needed and contact numbers, email and address.

Permits: Application for asbestos removal or demolition permits or submittal of reports shall be conducted online at [Electronic Permit Processing Portal](#). Note processing time may be longer than 48 hours and if approved, applicants will typically receive their permit within 3-7 business days. Questions can be directed to asbestosdemo@cookcountyil.gov or 312-603-8220 Option 1. You may also apply online for Asbestos Abatement Contractor Registration.

An Asbestos Abatement permit application is required for all asbestos projects (residential, commercial, institutional, and industrial) and must be applied for at least ten (10) working days before the start of the project. See below for fee schedule:

- Residential: \$200.00 filing fee
- Commercial: \$200.00 filing fee and Inspection fee: \$6/square foot, \$2/linear foot
 - Inspection fee shall not exceed \$2,000.00
- All fees are non-refundable

Please note: Cook County does not distinguish between friable and non-friable Asbestos Containing Materials (ACM) in the above fee schedule.
