

At-Home Collection for Household Chemicals

SWANCC is partnering with Clean Harbors for convenient home pick-up of household chemicals.

- Household cleaners
- Automotive fluids
- Pesticides
- Fertilizers
- Aerosols
- Pool chemicals
- Bulbs
- Batteries
- Oil based paint (NO latex paints)

Additional Details:

- Limited to households in participating SWANCC member communities.
- Collection will occur once per quarter on a rotating schedule across the region.
- Follow Clean Harbors' instructions for preparing materials.
- Maximum of 70 pounds.
- Pay \$75 pick-up charge (not applicable to all communities - see details at swancc.org).
