Nature of Request: Village Board seeks consideration of rezoning south portion of Kow Kow property from R-4 Residential District to the B-2 General Business District.

Requested Action: Zoning Map Amendment to remap a portion of the Kow Kow property from the R-4 Residential District to B-2 General Business District. The action would result in the entirety of the Kow Kow property at 6755 North Cicero Avenue in to the B-2 General Business District.

Summary of Request
In 1997, via Ordinance 97-2333, the property located at 6711-6719 North Cicero Avenue was approved for the construction of nine townhomes. As part of this approval, a Zoning Map Amendment was granted changing the Zoning District of these properties from the B-2 District to the R-4 District.

Recently, an apparent zoning map error was discovered concerning the adjoining Kow Kow property located at 6755 North Cicero Avenue. As currently illustrated on the Village Zoning Map, part of this property is shown as B-2 and part of this property is shown as R-4. Staff
believes that the current R-4 designation on a portion of the Kow Kow property to be a mapping error caused at the time the adjoining property was rezoned in 1997 from B-2 to R-4.

To correct this error, the Village Attorney recommended that the Village Board direct the Plan Commission to convene a Public Hearing to consider a Map Amendment to return the entire Kow Kow property to B-2 designation. Attached is the approved Resolution directing the Plan Commission to convene the Public Hearing (Resolution No. R2014-1806).

The only matter before the Plan Commission is the Map Amendment. This application does not include any development or redevelopment proposal. The Village Board seeks to correct the apparent Zoning Map error, more specifically bring the entire Kow Kow property into the B-2 District as it was pre-1997. To the right is an excerpt from GIS showing the Kow Kow property (outlined in red) within both the B-2 District (pink) and the R-4 District (yellow).

There have been several inquiries from the public relative to this Public Hearing. The majority were curious and/or concerned if the application included any development. Others were concerned with the status of Kow Kow. The majority of callers did not express concern with the correction of the Zoning Map. One resident of the townhomes to the south however, did have reservations about the entirety of the property returning to the B-2 District.
