

FRIENDSHIP REQUEST FORM

Lincolnwood Summer Day camp recognizes the value of attending camp with a friend. Full session campers have the benefit of being able to submit a request to have one friend or sibling assigned to the same small group.

Friendship requests can help streamline drop-off and pick-up for carpool buddies, but it is important to know that all children within each camp participate in activities together throughout each day. Campers are encouraged to develop friendships beyond their small groups through structured group activities and cooperative games.

Camp supervisors will do their best to accommodate all reciprocal friendship requests for full-session campers received by the deadlines listed within this form.

CAMPER'S FULL NAME: <i>Parents may submit one request per camper, per session</i>
