

CONSTRUCTION NOTICE

LINCOLN AVE- MEDIAN LANDSCAPE

To: Residents of Lincolnwood

From: Razvan Calin
Resident Engineer (Christopher B. Burke Engineering)

The Village of Lincolnwood has contracted with Nettle Creek Nursery to construct new landscaping medians along Lincoln Ave from Kostner Ave to Devon Ave. The project is scheduled to begin on **Tuesday, April 25, 2017** with an estimated completion date of **Saturday, September 30, 2017, weather permitting**. The project will involve a new irrigation system, landscaping materials, brick pavers and concrete median pavement. **Construction inside the medians will occur between 7:00 am to 6:00 pm**

Please be advised that traffic will be reduced to one lane during the construction stage. Traffic lane adjacent to the medians, both northbound and southbound will be closed between **9:00 am and 3:00 pm, Monday to Friday. After 3:00 pm all lanes will be open to traffic.**

Questions or Concerns

The Village of Lincolnwood is aware of the disruption and inconvenience that will be caused and appreciates your patience and cooperation during this construction project. If you have any questions or concerns, please feel free to call **Razvan Calin at (847)533-3013**
