Plan Commission Deliberations

By 5-0 vote, PC Recommends Approval of Requested Special Use Subject to:

* Rooftop equipment shall be installed with screening from all sides with sound attenuating measures, to minimize visual and sound impact.
* Site Management Agreement between owner and Village shall be required in form approved by Village Attorney
* Materials used on south and west elevations shall prevent escape/spillage of light onto adjoining properties

By 5-0 vote, PC Recommends Approval of the Four Requested Variations Subject to:

* Revocation of Ordinance No. 2013-3048 which previously granted variations for the renovation of the existing building

The Private Bank Petitioner Presentation

* The team present representing the petitioner has been identified.
* Comparison of Requests for Relief were presented.
* Traffic Impact figures were presented.

Discussion ensued with clarification from Mr. Cook and team members.

Traffic Impact Conclusions

* Bank-generated traffic can be accommodated efficiently without significant impact to external roadway system
* Two access drives will adequately serve development traffic
* On-site circulation coupled with proposed access drives will allow for efficient ingress to and egress from site while reducing impact on external roadways
* Drive-through facility will provide adequate stacking to accommodate queued traffic internally
* Number of parking spaces provided will be adequate to accommodate projected peak parking demand

Discussion ensued

Trustee Leftakes moved to concur with the recommendation and direct the Village Attorney to prepare the requisite documents for approval. Trustee Cope seconded the motion.

Upon Roll Call the results were:

AYES: Trustees Leftakes, Cope, Elster, Klatzco, Patel, Sprogis-Marohn
